

# Fabio Limoli

Fabio Limoli has worked with AGS Handling since 2011, where he has held management positions in Operation, Maintenance and Sales areas, until his recent promotion to Sales Manager in 2016.

Before joining the AGS Team he worked for 9 years at Eurofly/Alitalia as Purchasing & Contracts Manager. His career began in the Tour Operating sector, where over 8 years he has covered different roles in the Operations & Production area.

Thanks to his natural talent for Problem Solving and his commitment to Customer Care, he has been able to apply the experience gained in previous companies to the specific needs of his customers in order to establish long-term relationships.
